SAINT PATRICK'S WORD

Mixed and Pierce Purcell Teams Qualify for Matchplay stages.

Pierce Purcell

Well done to all the lads who qualified today in the Pierce Purcell. St Patrick's led the four qualifiers by 12 shots. They now face Spa at Rockmount GC. Team captains' are Colm Brennan & Marty McDonnell who deserve a wee mention

From the Club Captain, Gerry Killen.

I can't believe how quickly the first 2 months of my tenure has passed. May has been a hectic month with all the club matches to attend. I have attended 10 matches to date,6 of which were held in various locations last weekend. Unfortunately the teams have had limited success to date and once again it looks like the young guns are leading the way with two wins on their way, I hope, to retaining the Norman Drew.

I have been extremely impressed with

the professionalism shown by all the teams and irrespective of the results to date they all did the club proud. I would like to thank the team captains and all those who represented the various teams. I'm looking forward to attending the outstanding matches which have still to be played and hopefully some successful results.

Members will have noticed the significant improvements which have been made to the course recently and I would like on behalf of you all to pay tribute to Phil Posnett, Greens Convenor and to Emmett and his team for their hard work over the past number of weeks to bring the course to the excellent standard which we all are now enjoying. I would also like to thank all those members who volunteered to assist Emmett and his team in hollow-tining the greens. I hope more members will help the greens staff throughout the summer to keep the course at a high standard. I have received many compliments about the course from visiting teams in recent weeks.

I would like to welcome Ronnie Gelston who has recently taken on the Catering Franchise and would wish him and his team every success. The quality of the food to date has been excellent and I would encourage all members to support Ronnie as much as they can.

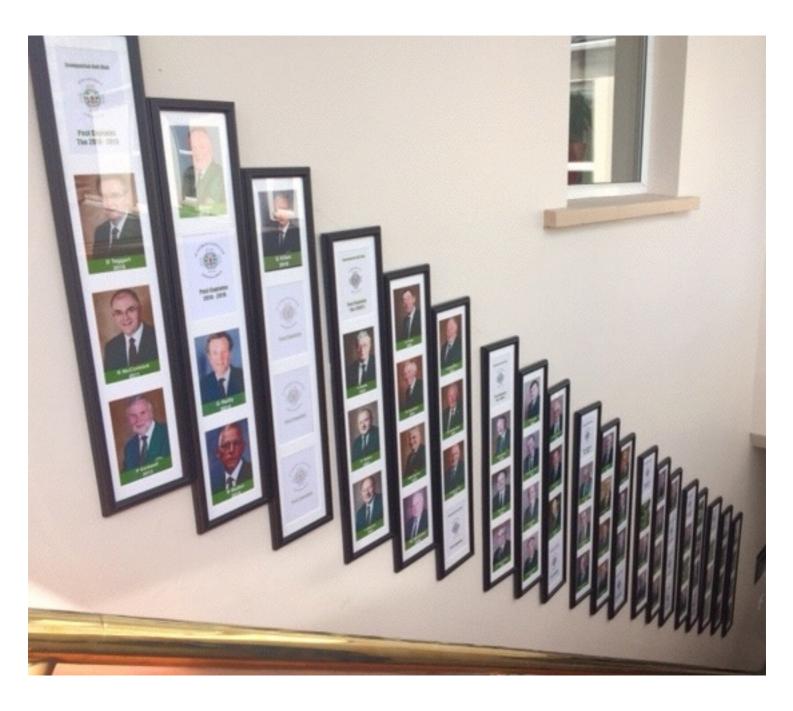

Finally I want to wish the club President a very successful day on her Presidents Day on 4th June and look forward to sharing the day with her.

WORK COMPLETED ON NEW PAST CAPTAIN'S & PAST PRESIDENT'S IMAGES

Some of the older images have since come to light, they are being processed as we speak and will be added to the line up.

DRESS CODE on and OFF The COURSE

At a recent visit to another club this poster re dress code was spotted. It is fairly standard and the council would commend this to you and ask for your co-operation in adhering to the same.

From the PRESIDENT

As your new President and the first lady member to hold this office I am delighted to have this opportunity to contribute to "St.Patricks' Word".

A little piece of history has been made and our Council are to be commended on taking this very progressive step. We are now the only club in Ulster this year to appoint a lady member as their Club President.

As a long standing club member I have had the privilege of holding the office of ladies Hon. Secretary, Hon. Handicap Secretary, Juvenile convenor and also had the pleasure of working with the gents on many Bar/House and Entertainment committees.

It was an honour to represent the club serving two three year terms on the Northern District of the Irish Ladies Golf Union where I was involved with the organising and running

of tournaments and competitions at club and representative level. I also served on the Junior Girls Golf committee which subsequently led me in to the work of Child Protection. Involvement with these experienced golfers and administrators gave me an invaluable insight into the workings of the governing body of this great sport - GOLF.

I am extremely proud to be President of St.Patricks and I would wish you all good health, successful golfing and hopefully good weather for the rest of the year - we have a great golf course which is at present in magnificent condition, a council which is working hard at maintaining all the behind the scenes aspects ably assisted by many very hard working VOLUNTEER members and with 'Healthy Eating ' under the guidance of Ronnie Gelston on board we can all both on the golf **course** and in the **clubhouse** move positively forward with your continuing support

I would like to wish you all good health ,successful golfing and hopefully good weather for the rest of the season.

Yours in Golf

Geraldine

NEW CATERER STARTS

The main piece of news is that we now have catering, we need to encourage the members to support "Healthy Choice Catering" the new franchisee. Menus and Opening times will be displayed in the clubhouse and on the club website, Tony Roden is doing up a entertainment poster which is shown on next page in the magazine.

The first big club event of the year is Presidents Day there will be a presentation followed by Live Music. The Caterer will have a special Presidents Day menu available for the members.

Cheers Gerry R

HAPPY GOLFING EILEEN AND CARMEL

The last meeting of the Greens committee consisted of a course inspection over the first six holes. Many topics were discussed but the main item on the agenda was the trees on the course. It is the thinking of the committee that our trees are the most potent hazard on our course and the widening of the fairways and the creation of "run off" areas have helped to bring then into play.

One of the most important factors that came out of our meeting was the number of beautiful deciduous trees we have on our course which are being chocked by the evergreens planted for quick growth a few years ago. Over the next few seasons we hope to identify the trees to keep and the ones to remove to allow the deciduous trees to flourish.

A great example of this is shown here, a fine flowering cherry to the left of the second green which is being overshadowed by two large fir trees for no reason, it is our plan to remove these two fir trees and replace them with two young Oak trees from other parts of the course. Other on going work by the committee will be the enlarging of the putting surfaces on most of the holes, at our next meeting the committee will visit the course with only one agenda to mark out the new putting surfaces with a view to work starting in July. Phil Posnett.

SENIOR CUP QUALIFYING at CONCRA WOOD GC

The Senior Cup team played at Concra Wood today & narrowly missed out on qualifying by 3 shots. The top 4 teams qualified for the matchplay stages with St Patrick's finishing 6th out of 18 teams.

I must thank the guys, as their team Captain, for their time & effort, it was a great display in very testing conditions. Conor Deegan, Barry Fitzsimons, Paul Fitzsimons, Jack McKenna & Sean McMahon represented the club superbly well.

The next top level senior event is the Barton Shield next month at Tandragee GC where we take on Warrenpoint GC in the first round.

Any support for the clubs best players would be very much appreciated.

Robbie Hutton (Team Captain)
